

Employee Eligibility

✓ **Easy Qualification**

✓ **Access To Life-Enriching Products**

✓ **Disciplined Payment Plan**

Why should employees use Purchasing Power for personal computer, electronics, and home & appliance needs?

- **Easy Qualification:** To participate, employees only need to meet the tenure and salary requirements.
- **Access to life-enriching products:** Top brands, home delivery, and customer service simplify the shopping experience.
- **Disciplined Payment Plan:** Spending limits are based on salary and a convenient 12-month repayment plan via payroll deduction makes purchasing easy and affordable. No more missed payments or late fees.

When an employer participates in the Purchasing Power program, employees can simply go to www.purchasingpower.com and register for an account to view the entire catalog. There are no sign-up fees and no obligation to buy.

"As a federal government employee, you don't have to worry about being turned down and the qualifications are simple."

— Michele

You don't have to worry about being turned down and the qualifications are simple."

The screenshot shows the Purchasing Power website interface. At the top, there is a navigation bar with links for Home, About Purchasing Power, Log Out, Shopping Cart (0), and Contact Us. A phone number, 1.800.347.8440, is also visible. Below the navigation bar, there are tabs for How It Works, Products, Customer Support, and My Account. The main content area features a product page for the Dell Black Studio Slim Desktop Only D150S2. The product ID is D150S2, and the price is \$63.35. The page includes an 'Add to Cart' button and a 'Norton 360' security software offer. A 'Full Description' tab is selected, showing a detailed description of the product's features and specifications. On the right side, there is a 'Shopping Cart' section with items like an Apple iPad 32 GB and a LG 50" Plasma TV. Below the shopping cart, there is a 'Related Products' section with a 'Product Name Here' placeholder.

For additional convenience, employees can respond to marketing materials and have the option of placing an order online or by calling Customer Service.

Once an order is placed

After an order is placed, Purchasing Power will send an order packet via email or fax. This includes an order agreement and next steps in the confirmation process. Employees will need to complete the paperwork and return it to Purchasing Power to complete the order. Purchasing Power will then verify employment and place the order with the supplier.

Billing Process

Purchasing Power
Sends Deduction

Employer Loads
Into System

Employer Sees
Deduction From
Paycheck

Once an order is placed and Purchasing Power has completed verification, we will add the employee to a deduction schedule and send this to the employer to administer.

Products Shipped Directly To Your Home

Next, products are shipped directly from the supplier, generally taking 7-10 days from completed order to arrive to the employee's home.

Payments are automatically deducted from employee's paycheck.

Payments are automatically deducted from the employee's paycheck for one year. Deductions will continue each pay period until the order is paid-in-full, at which time paycheck deductions will stop.

- **Order Process**
- **Billing**
- **Shipping**
- **Cancellations and Returns**
- **Changes in Employment Status**
